Ribbon Cutting Planned for Concessions Building

The Town of Garner Parks, Recreation and Cultural Resources (PRCR) Department cordially invites you to a ribbon cutting for the new South Garner Park concessions building on Wednesday, Nov. 18 at 2 p.m. The park is located at 1210 Poole Drive.

The event will include remarks by Town officials and key stakeholders as well as the official ribbon cutting.

The Town has used parks and recreational bond funds approved by voters in 2013 to construct two new concessions buildings—one at South Garner Park and another at Garner Recreational Park (221 E. Garner Road). Each building features group restrooms, a family restroom, a concessions area and storage space. The buildings both are now open for public use.

“The concessions buildings are a much-needed addition to our recreational facilities,” Garner PRCR Director Sonya Shaw said. “Working alongside our programming partners during the design and construction phase of the project allowed us an opportunity to create facilities that will serve the growing needs of leagues and tournaments in this area.”
